Release and Waiver of Liability, Assumption of Risk and Indemnity

Safety is of paramount importance in a pruning, gardening, and/or farming event. For the protection of all involved, this disclaimer is necessary.

I, for myself, my children, my personal representatives, assigns, heirs, and next of kin:

1. I acknowledge, agree, and represent that I understand the nature of pruning, gardening and/or farming and related activities, and affirm that I am qualified, in good health, and in proper physical condition to participate in such activities. I further agree and warrant that if at any time I believe conditions to be unsafe, or that I am unable to safely participate in volunteer activities, I will immediately discontinue further participation in those activities.

2. I acknowledge that I have elected to participate in an activity that includes some risk of injury. I hereby release, discharge, and covenant not to sue New Mexico State University, Sandoval County Extension, the Sandoval Extension Master Gardeners, Seed2Need, its membership, their respective administrators, directors, agents, officers, members, volunteers, employees, other participants, any sponsors, and owner and lessors of premises on which the activity takes place (each considered one of the "releasees" herein) from any and all liability, claims, demands, losses, or damages arising out of my activities while volunteering. I further agree that if, despite this Release and Waiver of liability, assumption of risk and indemnity agreement, should I, or anyone on my behalf make a claim against any of the Releasees, I will indemnify, save, and hold harmless, each of the Releasees from any litigation expenses, attorney fees, loss, liability, damage or cost which may arise as a result of any such claim.

Photo Release

Also, to encourage the continuation and expansion of our gardening and/or farming events, I hereby give anyone involved with the event, with the approval of Seed2Need, the right and permission to copyright and/or use, reuse and/or publish and/or republish pictures or images of me for the purpose of illustration, advertising and promoting pruning events and/or participants working with and supporting Seed2Need in those events.
